## PROGRAM "H" PROMISES INCREASED PRODUCTION

Program "H" has aroused great interest among owners of small and medium-size farms, as is shown by the increased production. At present, there are 140 mass purchase centers attached to the Gminne Spoldzielnie Samopomocy Chlopskiej (Communal Cooperatives of Peasant Self-Aid). Up to 28 February, 7,799 head /of livestock/ were contracted for, 21 percent of the estimated amount in the plan. According to reports received from various parts of the wojewodztwo, the plan will be fulfilled far above the estimated figure. For example, 1,500 head were planned to be contracted for in Przemsl Powiat and, to date, 1,040 head have already been pledged.

In Jaroslaw Powiat, Program "H" is carried on in the form of production competition. The Gminna Spoldzielnia (Communal Cooperative) in Jaroslaw village has pledged to contract 6,000 head of hogs; the cooperative at Radymno, 1,000 head; Tuczempy, 600 head.

The district Zwiazki Gminnych Spoldzielni (Associations of Communal Cooperatives) have undertaken to organize breeding and fattening stations, which over a period of a year will contribute nearly 1,000 head of cattle and hogs to the program.
